

1. Company

ElexoPharm GmbH

Starterzentrum of Saarland University, Building A1
66123 Saarbruecken/ Germany

Phone: +49 (0) 681 9102893

Fax: +49 (0) 681 9102894

Email: info@elexopharm.de

URL: www.elexopharm.de

Contact: Axel Koch, MBA (CEO)

Prof. Dr. Rolf W. Hartmann (Founder & Scientific Advisor)

2. Core Competences

ElexoPharm offers consulting and contract research services in the field of medicinal chemistry like target validation, hit finding, from hit to lead and lead optimisation including synthetic realisation. Beside its traditional service in the medicinal chemistry field **ElexoPharm** has expertise in the analytical domain (IR, GC/MS, LC/MS and NMR). Recently **ElexoPharm** enhanced its portfolio in biochemistry. We provide disease-oriented cell lines and corresponding assays for biological evaluations of compounds. Furthermore **ElexoPharm** runs an own drug development program in the field of cardiovascular and oncology resulting in licence offers.

3. Cooperations offered and requested

- Contract research on a fee-for-service basis
- R&D cooperation concerning the licensing offer
