

PharmaForum 2008, am 11. November in Saarbrücken

1. Company

Fachhochschule
Kaiserslautern

University of
Applied Sciences

University of Applied Sciences Kaiserslautern

Campus Zweibrücken

Fachbereich Informatik und Mikrosystemtechnik

Professor Dr. Oliver Müller

Amerikastraße 1

66482 Zweibrücken

phone +49 6332 914 427

oliver.mueller@fh-kl.de

2. Core Competences

Applied science on the field of molecular oncology

- new methods for molecular diagnostics
- novel molecules with therapeutic potential

3. Cooperations offered and requested

Contract research in molecular oncology

- testing new molecules for cytostatic potential (cell culture)
- testing biochemical effects of molecules (in vitro)
