

Short CV of Speaker

Dr. Horst Lindhofer, CEO of TRION Pharma GmbH, received his PhD at the Ludwig-Maximilians-University (LMU), Munich, in 1992 for his work on examination on maturation and assembly of HIV-1 with specific antibodies. After having spent several years as research scientist at GSF Institute of Immunology, he was appointed Head of Clinical Co-operation Group “bispecific antibodies in tumor therapy” of the Department of Otorhinolaryngology, LMU Munich, and GSF Institute of Clinical Molecular Biology and Tumour Genetics, Munich. TRION Pharma GmbH was founded by Dr. Lindhofer in 1998.
