■ Manufacturer of Custom-Designed Quality Control Sera

BIOREF GmbH has more than 30+ years experience as manufacturer of third party controls. Our controls are liquid & stable ready-to-use human control sera for immunoassays tailored to your needs.

Our QM system is certified according to ISO 9001 and ISO 13485 and the controls fulfil the requirements of the European In-Vitro-Diagnostics Directive 98/79/EC. Our laboratories and offices are located 50 km east of Frankfurt am Main – right in the middle of Germany.

Tailor-made controls for immunoassays

We have a great expertise in the production of tailor-made controls serving the specific needs of the customers for high quality controls for POCT, Companion Diagnostics and OEM.

Based on our extensive experience we produce liquid ready-to-use and very stable

- human control sera for
- Proficiency Studies Providers
- Test Kit Manufacturers
- Pharmaceutical Companies
- Medical laboratories
